ELEGANCE
WELLNESS CENTER
Dakhla - Maroc

A unique situation...

Welcome to Elegance Wellness Center of Dakhla. Away from top touristic locations of Morocco, our Spa introduces you to authenticity and tradition. Located at the entrance of the Saharan desert and the Ocean, it is a true oasis of relaxation where escape and release are one.

Wellness Experience...

Elegance Wellness Center offers 3 singular experiences for the choice of your treatment. Live naturally an intense journey through the spa around your senses and emotion. Escape yourself, get rejuvenate and awaken: choose a unique experience for expected results.

Total well-being, self-balance and connection with nature through an awakening of the senses and an authentic escape.

After effort, comfort...

An adventure in the heart of the desert under the hot and arid Saharan sun. A sporting challenge against the swell while taking in the beautiful landscapes. Irrespective of your excursions, take advantage of the moments of intense and appropriate comfort. We put you in the expert hands of our practitioners who will provide you with oriental treatments and massages sublimated through soft and controlled movements.

Massages

Morning sunrise - 15^{min}

300 dhs

From 10:30 to 13:00, awaken your body and boost your energy with the beneficial effects of a chair massage. Based on the digital pressure points, this massage will stimulate your muscles and back joints.

Short massage - 25^{min}

400 dhs

Head Spa

A moment of relaxation around the head using digital pressure techniques and relaxation of the scalp.

Foot massage

Combining the beneficial effects of water and plantar reflexology techniques, the foot massage provides overall relaxation of the body and stimulates vitality.

Back massage

Deep relaxation massage of the posterior side releasing the muscular tensions of the back and legs while rejuvenating your body.

Customized massage - 55^{min}

600 dhs

Relaxing ●

True source of wellbeing, its soothing effect provides overall relaxation. This sensory escape also combines with the soft smoothing and light kneading for improvement of circulation and stress reduction.

Calming ●●

Based on muscular release techniques, it allows easing and relieving the tensions of the body. This massage stimulates the blood and lymphatic circulation system to obtain immediate stress relieving effect.

Signature ●●●

Focused on vitality and release, this energetic and muscular massage allows total release. The richness and the rhythm of its techniques allow overall stimulation of the body. This massage encourages recovery and toning of the muscles.

Deep massage - 80^{min} ●●●

800 dhs

Massage of the deep tissues carried out by relaxing and detoxifying the muscle tissues. Ideal for recovery, it gives back the required energy for a true feeling of comfort and well-being. Deep massage allows preventing constant accumulation of tensions in the muscle due to regular physical activity and re-establishing the balance of the muscular-skeletal system.
